Teacher’s Creed

I am a Teacher.

I will do my very best to help each student reach their full potential both physically and mentally.

I will give every student the opportunity to achieve success and build pride in themselves, their school, and their community.

I will instill courage, leadership, teamwork, and a selfless sense of duty to learn.

I will insist that each student meets and maintains the school standards and expectations for discipline and academic success.

I will demand respect for self and others.

I will encourage students to become positively engaged and active participants in school activities and social functions.

I will demonstrate the highest integrity, consistency, and fairness when handling student discipline.

I will work diligently to learn and adapt to changes in our society in order to meet the educational needs and standards of the school.

I will work cooperatively and collaboratively with other educators in order to enhance the educational performance of our students.

I will never place my own needs above those of my students.

Most importantly, I will work hard every day to become a better teacher.

I am a teacher.
